Are you interested in ESPON 2013 Programme?

ESPON 2013 – The European observation network on territorial development and cohesion is an operational programme within the European Territorial Cooperation Objective of the Cohesion Policy of the European Union under which **European territorial research is**

financed.

ESPON 2013 Programme is funded by the European Regional Development Fund and the contribution of all EU Member States and of the Partner States: Norway, Switzerland, Iceland and Liechtenstein.

The purpose of the ESPON 2013 Programme is to support the formulation of a policy aimed at the cohesion and harmonious development of the European territory, by (1) providing comparable information, statistics, analyses and scenarios on territorial dynamics, as well as by (2) revealing territorial capital and the development potential of regions and larger territories, thus contributing to the increase of competitiveness, the widening of territorial cooperation and the sustainable balanced development of the European territory.
